

CHESTERFIELD COUNTY TELEPHONE REASSURANCE PROGRAM

Senior Advocate's Office

VOLUNTEER APPLICATION

Our Telephone Reassurance volunteers provide brief, daily telephone calls to elderly or disabled Chesterfield County residents to verify their well-being and provide a community connection. This service provides peace of mind and reassurance to the person living in isolation.

Volunteers sign up for flexible time commitments during the workweek and place calls at an arranged time each day. Volunteers conduct calls from the Chesterfield County Senior Advocate's office.
